All,

Please find attached an updated Bridge Opening Request Schedule taking us through 10/2/13. Please note that the 9/30/13

MONDAY TRAVEL HAS BEEN

CANCELLED. This cancellation results in a change in direction for 10/1 and 10/2 travel (see changes in red font). We are nearing the conclusion of the dredging portion of the work and I will update the schedule should we extend travel beyond 10/2. Together we have made major accomplishments and have set

precedents in the execution of this very challenging and complex project. I appreciate all of your support and extra effort to date.

Sincerely,

Todd
